

Miss Anne W. Weston.  
Weymouth,  
Mass.

Ms. A. 4. 6A. 2. 71

My dear Miss Weston,

I saw Mr. Parker on Sunday, & asked him if he had had a note from you - he said he had, & should have a communication ready for you before long. From his reply, I perceived that he referred probably to a note from you respecting the Liberty Bell; and I inquired if he had received a request from you to attend your meeting next week. He said he had received none such, and I told him the purport of it. He said he thought it would not be in his power to attend. - W. H. Channing, I understand, is in New York, but I will have an eye to his return to the city. He has been spending the summer at Brattleboro.

W. W. Provier will be with you. I shall also endeavour to be there, unless I can send a more efficient substitute.

Very truly Yours  
Saml. May Jr.

I meant to have sent  
this by your sister  
Emma this P.M.; but  
in the last hurry I  
was forgot it. I go to  
Leicester tomorrow for several days, and so

Cannot see Channing if he  
should come to Boston.
